Talk about public art

Methow Arts and the Methow Salmon Recovery Foundation invite valley artists to "An Evening for Artists - Discussion about Public Art at the Twisp Ponds" Thursday, May 19, from 6 to 9 p.m., at Confluence Gallery in Twisp.

Discussion will emphasize idea sharing, learning and possibilities for public art, with a focus on the first phase of a project which integrates local public art on an enhanced trail system at the Twisp Pond site on Twisp River Road.

The event is free. Wine, beer and appetizers will be served. For more information, call Methow Arts at 997-4004.
